

# Wireless USB-C to HDMI Extender with Casting

CSWBC030

## Overview

Extend your USB-C display to any HDMI screen without cables using the Wireless USB-C to HDMI Extender with Casting. Connect your laptop, tablet, or phone to a display up to 90 feet away for smooth 1080P60 video with low latency.

The receiver also supports AirPlay and Miracast casting, making it easy to share videos, presentations, or games, directly from your phone or tablet – no transmitter required. Plug-and-play setup keeps your workspace, classroom, or entertainment area tidy and cable-free.

Compact, easy to use, and reliable, the Wireless USB-C to HDMI Extender delivers flexible wireless connectivity for everyday setups.

## Standards & Compliance

**HDMI** **HDCP** **USB-C** **DP Alt D** **AirPlay** **MiraCast**
