

8K60 4x1 USB-C / HDMI Switch

PT-SW-BCH41

Overview

Connect multiple devices to a single 8K60 display with the 8K60 4x1 USB-C / HDMI Switch, offering flexible, high-resolution connectivity for workstations, gaming setups, and multi-device entertainment spaces. One USB-C input and three HDMI inputs support HDR10+ and Dolby Vision, delivering sharp, vibrant visuals and smooth motion across all sources.

Front-panel indicators provide a clear view of the active input, while the onboard button and included IR remote make switching between devices precise and straightforward. Engineered for stable, reliable performance, this switch keeps every source ready for instant use.

Compact, plug-and-play ready, and built for high-end setups, the 8K60 4x1 USB-C / HDMI Switch unifies multiple devices into a single streamlined workflow or entertainment system with clarity and confidence.

Standards & Compliance
